

Nail Services

Overview

Level 3 Diploma

12 weeks

VTCT

This qualification includes all the required elements to work effectively as a nail technician including: enhance and maintain nails using UV gel and liquid and powder.

You will also develop your understanding and skills by selecting a number of optional specialist units which include: designing and creating nail art, air brush designs, enhancing nails with electric files, wraps, promoting products and contributing to the financial effectiveness of a business.

By the end of the programme, you will be able to offer new treatments to your clients, whether you choose to be self-employed or work within a salon.

Did you know we also offer courses in Makeup Artistry?

Progression

You will be qualified to work as a Nail Technician either as your own boss or in a beauty salon.

Entry Requirements

This course is progression from a related Level 2 Diploma. You must be 19+ to apply for an Advanced Learner Loan to fund this course.
