

Career Development

Nail Technology

Overview

This course includes all the required elements to work effectively as a nail technician including, manicures and pedicures, applying and maintaining nail enhancements, maintaining personal health and well-being, health and safety and client care.

You will also have the opportunity to select a number of specialist units which include: designing and applying nail art, air brush designs, enhancing nails with electric files, promoting products and displaying stock to promote sales.

By the end of the programme, you will be able to offer new treatments to your clients, whether you choose to be self-employed or work within a salon.

Progression

You will be qualified to work as a Nail Technician either as your own boss or in a beauty salon.

Entry Requirements

This course combines Level 2 and Level 3 so no experience is necessary. You must be 19+ to apply for an Advanced Learner Loan to fund this course.
